President's Message

~ Mike Penn, President

Hello Hillsmere,

Change is in the air, so we have some thank you's and welcomes to take care of. Noel Gasperin and Kevin Green have been handling the community happy hour for the last 7 years and have done a terrific job. I helped at the June happy hour and was amazed by how much work was required. After years of hard work they are both stepping down. As a community we thank them for all the great times at the beach and all the time they have invested. Alice Middleton and a crew consisting of both new and veteran happy hour devotees did a great job of stepping up and handling the July Happy Hour; thanks, guys. The next happy hour will be hosted by Maple Drive, and I do not expect to be disappointed.

I would also like to thank Bill and Sandy Anderson for another successful Dumpster Days, not to mention all they do for the neighborhood. Thanks to also Suzanne and Greg Martin for hosting a movie night at the pool. It was a little damp, but there was a great turnout despite the rain.

On a more official note, after a mere 10 years on the board, Noel Gasperin stepped down and his seat has been taken by Lori Hogbin. Lori is a long term resident in the neighborhood, and has managed the BigTent site for the community for the past several years. Thank you again, Noel, for all your effort, and thanks for stepping up Lori, and for handling BigTent all these years.

As many of you may be aware there is an issue with a rental property on Huse Drive. The management calls it a sober house. As a week to week, transient rental property that houses up to 12 men, it has created tensions on the street. The other residents that live on Huse Drive approached the HSIA board because they felt it was inappropriate for high volume, transient housing to exist in the neighborhood. The board was also concerned by the number of residents, so they and neighbors monitored the situation as it leased up. Over the past few months the neighbors felt threatened by residents gathering in the street, burning trash in the back yard, mowing the grass at night, and excessive traffic. When the neighbors approached the house manager about these problems, he replied, "I don't care what they do." I was worried about the high tension between the residents of the house and the other residents living on Huse, so I contacted the house manager. He told me that he does not care about the neighbors, can and will do as he pleases, and we need to leave them alone.

For the community, I would like to answer some of the questions that have been asked regarding the situation:

(President's message, continued on page 3)

- Yes, we have other sober homes in the neighborhood, and none have ever been an issue. We have a wonderful community, and under the right environment and supervision it is a very healthy place for people with addictions to reintegrate into normal life.
- No, they are not breaking any laws or county/state regulations for housing; therefore, we have no legal way to remove them at this point.
- The HSIA board considers this a nuisance house and recommends other residents call 911 when they see suspicious or inappropriate behavior.
- We are meeting with County Executive, Steve Schuh. Feel free to contact his office as you see fit.
- Sam Hewett, who lives on Huse Drive, is organizing efforts to resolve the issue. You can contact her at husedrive@comcast.net with any comments or questions.

Dana has continued to expand both the content and appearance of our community newsletter, carrying on the tradition of excellence of her predecessors, like Jean Somers and Kate Penn. Thank you, Dana, for all that you have done. We wish you well in your new journey!

Hillsmere Garden Club

~ Millie Sample, President

Welcome back Garden Club ladies! We're about to start another year of camaraderie and contributions to our community. Thank you all for your friendship this past year and for all that you did together to complete so many projects.

Particular thanks to some of our members:

- The Library Gardeners
- Our Garden Club Luncheon Organizers
- Our May Basket Team

What fun we had last year, with so many successes and learning experiences for us all! Let's plan to learn more as we work together in the coming year. Our program will be completed soon and I can tell you that we have many wonderful presentations coming our way in 2016! Remember that new members are always very welcome.

Our first meeting will take place on September 16, 2015 at the Hillsmere Library, beginning at 12:30 pm. The theme for this meeting is our own state of *Maryland*. Our beautiful state offers so many different features – the Chesapeake Bay, our flora and our fauna, our foods, our scenery, our sporting teams, our flag, and our history ... Choose one of these or choose some other aspect of Maryland that you love, and prepare a flower arrangement/interpretation for the meeting.

We're looking forward to seeing Maryland brought to life by our Garden Club designs!

Piers & Harbor News

~ Steve Vanderbosch, P&H Chair

Summertime

We are in the height of the summer season, and it's great to see so many people enjoying the Piers and Harbor facilities: boating, kayaking, fishing, crabbing, stand-up paddle boarding, and canoeing. For all you slip holders, summer is also the time for thunderstorms, so please check your mooring lines regularly, especially after storms. Several boats have already had parted lines this season.

Slips

The Marina has had all slips assigned, but there have also been some unexpected departures, so the Slips Committee continues to contact the few remaining people on the Waiting List to offer them slips. You may also see vacant slips as several boats (including mine) have been absent for hull and/or engine work. The good news is that P&H revenues for slips, boat ramp keys, boat park and kayak racks are on target for the year. P&H is in good shape financially to continue to pay down the bank loan for pier reconstruction, which is now down to a balance of about \$172,000.

Transient Slips

The Marina does have several transient slips, at the ends of A Dock and C Dock. If you have friends or family wishing to dock temporarily, please contact me (P&H Chair, H 410-267-6978; C 410-212-6978) at least a day or two in advance for slip assignment. Fees are \$1/foot/day, payable by the sponsoring Hillsmere resident to HSIA.

Speed Bumps and Curb Stops

Speed bumps were completed last month, and appear to be accomplishing their intended purpose. A number of slip holders have commented that there is far less dust being raised and settling on their boats. Several slip holders have requested another speed bump in the vicinity of Slips 29-30. Assuming the HSIA Board approves the additional expenditure, look for another speed bump soon.

Curb stops will be placed next month along the bulkhead to protect electrical fixtures and provide a safer walkway. Meanwhile, all slip holders and guests are requested to please leave some space between your vehicle bumper and the bulkhead fixtures, especially the electrical boxes and the finger piers, so other slip holders have space to walk along the bulkhead and access their boats.

Pets at the Marina

Again a reminder: County law prohibits pets from running at large (i.e., unleashed) along the Sand Spit. More troubling (and annoying) are pet owners who do not clean up after their pets. There are dog poop deposits on a daily basis at the Marina Beach and along the grass strip. This is highly irresponsible and grossly inconsiderate of other residents who use the Marina. Please encourage all dog walkers to clean up after their pets.

(Piers & Harbor continued on page 9)

(Piers & Harbor continued from page 8)

Gate Key Cards

Nearly 100 new marina gate key cards have been distributed. Anyone who still wants to swap an old key card for a new one, or obtain a new key card if you were never issued one, contact the P&H Chair.

P&H Meeting Time and Place

The P&H monthly meetings are normally held on the second Tuesday of each month at 7 p.m. in the Key School Science and Library Center (the building closest to Carroll Drive), room 102. Everyone is welcome and encouraged to attend. VOLUNTEERS ARE ALWAYS NEEDED AND WELCOMED!

From the Beach ...

~ Kate Penn, Beach Chair

Beach Gate comings & goings

Thanks to yet another dedicated community volunteer, Ollie Moochler, who has opened and closed the beach gate on a regular basis for the last few years. Ollie is moving, and kindly recruited and trained her neighbor, Eric Richardson, to take over her duties. Thank you, Ollie and Eric!

Operation Clearwater - Bacteria Monitoring results

Here are the results of the South River Federation's weekly bacteria test of the Hillsmere Beach:

June 17	June 24	July 1	July 8	July 15	Measured in colony forming units (cfu)/100ml
1	1	20	8	2	

The acceptable concentration of bacteria for safe swimming & direct water contact is 104 cfu (colony forming units) per 100 ml. Anne Arundel County recommends no swimming for 48 hours after a rain event. A link to these results is on the HSIA website, and can also be found at: <http://www.southernriverfederation.net/index.php/our-programs/water-quality/bacteria-data>. Forgot to check before you left home? Go to the SRF website to download a mobile app that will help you access the information while you are out and about. Help keep our waterways clean and safe by cleaning up after your pets and limiting fertilizer applications, particularly when rain is expected.

Beach Committee Volunteers needed!

We need your help to keep the beach looking terrific: Join the Beach Committee! Committee members are needed to help plan or work on maintenance and improvement projects, especially the bench replacement project. For more information, email: beach@hillsmershores.net.

Hillsmere honored it's veterans past and present with a brief, but moving ceremony at our Community Beach. The celebration included live music, donuts ,and camaraderie. The oldest participant was a veteran of WWII submarine duty and the youngest is currently on active duty. The pride of those whose served was evident to everyone present. Thanks to all of you who took the time to show their appreciation for our veteran's service. And thank you to Mac, who suggested and organized last year's celebration!
