Sea Breeze Online

Can't wait for the printed copy? Want the pictures in color? We will be posting the Sea Breeze on the HSIA website (hillsmereshores.net) on the same day that we send it to the printer.

Party Hillsmere

Check the Calendar on page 24, and join your friends and neighbors at the many events at the Community Beach that will be held from May through October. Everyone is always welcome. Admission is free and the youngest to the oldest can always find something to eat and something to do, even if it is just sitting on the beach watching the sun set over the South River.

Mosquito Control

For the last several years Hillsmere has participated in the Maryland Department of Agriculture's mosquito control program. The program has three parts:

- Spraying for the adult mosquito population, when the adult population exceeds acceptable minimums.
- The application of larvacide to eliminate the mosquito larvae before they can hatch.
- Removal of potential breeding sites.

Each is effective, to some degree, in controlling the mosquito population. None will eliminate the problem.

The majority of residents have consistently supported participation in the control program; however, those residents who would prefer not to have spraying conducted near their property can elect not to participate. Spraying will not be conducted within 300 feet of non-participating properties. Forms and information on exempting your property from the spraying program are available on pages 19 - 21.

~ Tiger

Not Tiger Woods, but the Asian Tiger mosquito that has become an increasing problem since its accidental introduction to Maryland in the late 1980's. The Tiger has proven to be resistant to most wide area control including spraying and larvacide. Elimination of the Tiger's breeding sites is the most effective method for reducing the adult population.

~ We May Be Our Own Worst Enemy

The most effective way to control mosquitoes – particularly the Tiger – is to eliminate their breeding sites. The Tiger larvae are deposited in even the smallest containers of standing water, including unprotected rain barrels, bird baths, children's toys left outside, gutters that do not drain completely, and even wet clothing and towels left behind at the Community pool. A few minutes each week eliminating the potential breeding sites is time well spent to reduce

(President's message, continued on page 3)

(President's message, continued from page 2)

our mosquito population and reduce or eliminate the need for spraying. Let's clean up the breeding areas and enjoy our summer.

Additional information on mosquitoes, mosquito-borne diseases, insecticides, and ways to reduce mosquito breeding areas can be found at http://mda.maryland.gov/plants-pests/Pages/asian_tiger_mosquito_md.aspx.

HSIA Community News and Events

~ Jean Somers, HSIA Administrator

Happy Hour/Sock Burning at the Beach – Saturday, May 4th, 4-7 pm.

We will also dedicate the new “Little Library”. Join us for an early start to the community’s latest summer tradition. We will supply hot dogs, buns, condiments, hot grills, paper plates, napkins, soft drinks and coolers full of ice. You bring a plate of Happy Hour style food to share, some lawn chairs, and your favorite adult beverage.

Beach Clean-up - Saturday, May 11, 10 – noon.

Please join us for some light work to spruce up the beach and park areas. We will be landscaping, planting, raking, and pruning, as well as touching up the paint on the pavilions. Bring gloves. Refreshments will be provided!

Pool Pass Pick Up Day & Clean up – Saturday, May 18th from 10 am to 1 pm.

Come to the pool to pick up your pool passes for the upcoming season. It’s also our 2nd pool cleanup day. Volunteers will be working at the pool...so please come to pick up your passes and stay a while to help out. Many hands make light work. The pool opens one week later, and lots of volunteers will ensure we are ready. Hope to see you there!

Dumpster Days -- Dumpster Days are scheduled for our community on Friday and Saturday, July 19 and 20. More information will be in future issues.

2013 Membership and Stickers – Be sure to get 2013 stickers for your vehicles and trailers if you plan to use community facilities this year. This ensures our wonderful facilities are used only by Hillsmere Shores residents, owners and their guests. Just send in photocopies of your vehicle and trailer registrations to HSIA, P.O. Box 3485, Annapolis, MD 21403. We will send your stickers in the mail.

Boat Ramp Keys - Did you get your 2013 boat ramp key yet?

It’s easy. Just tear the membership form out of this issue and mail it with your dues and boat ramp key payment. Be sure to remember to include photo copies of your vehicle and trailer registrations for stickers. If you haven’t gotten your 2013 boat ramp key, now is the time to think about it. Don’t wait until a beautiful, sunny day to get your key.

KEYS ARE NOT AVAILABLE ON SHORT NOTICE!! Please allow a few weeks processing time. Thanks for your understanding!

2013 Beach Reservations:

The 2013 Beach calendar is open for reservations. To reserve the large pavilion, please contact the Administrator at 410-263-4456, ext. 2, or send an email with the date & time requested to admin@hillsmershores.net. A refundable \$200 security deposit is required. You will need to provide the time and duration of your event. You may reserve the pavilion for the entire day or for

(HSIA Community News and Events, Continued on page 5)

as little as two hours. This will allow more residents to use the space for parties. Please note that reservations are not final until you receive a confirmation from the HSIA Administrator.

If you are serving alcohol at your party you will need to obtain an Anne Arundel County One-Day Liquor License. Signed forms for a liquor license must be obtained from HSIA and submitted to the County at least 2 weeks prior to the event.

Easter Egg Tree Contest – “*And the winner is...*” Sara-Lee Clingenpeel, age 8, is the winner of Hillsmere’s 5th Annual Easter Egg Tree contest. Hillsmere children are invited to guess how many eggs are on Leslie Donaldson’s tree at 425 Hillsmere Drive. We had 20 contestants participate this year ranging in age from 5-12. Sara-Lee’s guess of 4,208 eggs was the closest guess to the actual number of eggs on the tree. Sara-Lee won a \$25 gift card to Bruster’s Ice Cream.

Congratulations, Sara-Lee!

Hillsmere Garden Club

~ Paulette Schwallenberg, President

At the April 17th Luncheon of the Hillsmere Garden Club, held at Quiet Waters Park, the slate of officers were re-installed by Nan Lodor for a second term, 2013-2014. President, Paulette Schwallenberg, Vice President, Katie Berry, Treasurer, Barbara Brady, Corresponding Secretary, Clare Davison, Recording Secretary, Jean Koehler and Hostess Coordinator, Sam Hewett.

The next meeting of Hillsmere Garden Club will be on May 15 at 1 pm. This will be a field trip to Adams Academy at Adams Park to tour the Chesapeake Ecology Center in Annapolis. Club members and any guests are encouraged to car pool. There will be no formal meeting at the Annapolis Neck Library for May. This will be our last activity until September, but club members still work hard for the community by maintaining the flower beds at the Annapolis Neck Library during the summer months. With any questions, please call Paulette Schwallenberg at 410-268-5975.

From the Beach ...

~ Kate Penn, Beach Chair

Beach Work Day: Saturday, May 11, 10 – noon.

Join us for some light work to spruce up the beach and park areas. Bring work gloves for landscaping work: planting, raking, and pruning. We will also touch up paint on the pavilions. Refreshments will be provided! Pitch in to keep our beach beautiful.

Pavilion reservations and Security: If you wish to reserve the large pavilion for a party, please call 410-263-4456, x2. A temporary liquor permit is required for any event serving alcohol. Remember, when you make a reservation it is for the use of the large pavilion, grills, and volleyball court only; the community always has use of the rest of the park area and beach.

Please be sure to keep the beach looking its best, and clean up your trash. If a trash can is full, please use the next one, or take your trash home, and don't forget to recycle! Remember, **no dogs are allowed at the beach or park area.** Security is checking for stickers to ensure the beach is used by residents and property owners only. To avoid problems, please get a Hillsmere sticker for your car by contacting 410-263-4456, or go to www.hillsmershores.net.

Maintenance and Improvements: Thanks are due to Christian Elkington for his determined efforts to bring electricity and water to the beach. The power is now on at the large pavilion, and running water is soon to follow!

Shoreline Remediation Project: We continue to be on schedule obtaining permits for the renovations to the beach shoreline. The MD Department of Environment (MDE) provided comments at the beginning of April. Near Shore Engineering, the project designer, is coordinating State and County requirements, and will resubmit the application to the State. County permits should be approved by the end of June, putting the start of work at the beginning of July.

Please note we will not install the nettle net this summer, as that swim area will be under construction during the peak sea nettle season. During construction certain areas of the beach will not be accessible. While construction is underway, there will be limited access to the tot lot and the small pavilion, as well as the swim area at the sea wall.

Security

~ Matt Franz, Security Chair

Welcome back, Spring! Remember to get your 2013 community stickers, as Security and AACo police will be enforcing them. The community stickers help us distinguish residents from non-residents. You will be approached and questioned by police and security if you do not display a current sticker. Reminder: **Community property is to be used by residents and owners only, or guests accompanied by a resident, no exceptions. Vehicles not displaying a sticker will receive a ticket, trespassing charges, towing, and/or calls to AACo police.**

Crime Activity: Since the last *Sea Breeze*, the community has had one home break-in, trespassing issues, and speeding problems. Be diligent by locking your vehicles and homes to help keep the community safe. Please do your part as a Hillsmere resident: report all crimes and suspicious people to AACO police first, and then security.

Special Security Services: Going on vacation or traveling for work? Call or stop the guard and let us know, and Security will keep an eye on your place while you're gone. We need the following: date traveling, local POC number, your number, what vehicles will be on-site, what lights will be on, who is allowed on the property, and any other pertinent information.

Please report all criminal or suspicious activity to the AACO police by using the contact information, below. Each one of us can help deter car thefts, home breaks-ins, etc. Your name can remain anonymous when making a report.

- AACO police emergency: 911
- AACO non emergency: 410-222-8610
- AACO police online at <http://www.aacounty.org/police/forms.cfm>

Also, please keep the Hillsmere security informed of all activity using the following contacts.

- Email at security@hillsmershores.net or
- Call 410-263-4456 x. 6

No Pets on the Beach: Soon the warmer weather will bring more children and families using the beach playground areas. Therefore, I would like to remind the dog walkers the beach is off limits to all pets - you know who you are. These people are giving all dog owners a bad name. If you see a dog or pet, remind the owner the beach is a pet-free area.

Traffic Concerns - please slow down: Last month I requested AACO Police to run traffic control, but it seems the issue has not slowed down the speeders. I have requested AACO police to run traffic control again. I recently heard of vehicles passing stopped school buses, as well as driving in excessive speed around other vehicles and residents. If possible, get the tag numbers and report to AACO police and Security. To help with this issue please email your issues to me, and I will notify authorities. Also, remind your neighbors of the speed limit -- Hillsmere is a child-friendly community, so **SLOW DOWN!**

Piers & Harbor News

~ T.J. Hurlburt, P&H Chair

Pier Renovation

The pier renovation project is nearly complete, with the new dock in place. The outstanding items are completing electrical outlets on the new section of dock, connecting the stand pipe, and installing the security cameras. These items have good visibility with the Construction committee and are expected to be in place in the very near future, if not by the time you receive this newsletter.

With this major effort largely behind us, we can look forward to some new projects, albeit not near as large in scope. The P&H committee is completing about 2 years of major projects, so we are looking forward to taking a collective sigh of relief.

Channel Markers

If you have not noticed, HSIA has 7 channel markers that are privately maintained, approved and on the USCG Light List. Unfortunately, these markers were not installed with appropriate ground tackle, and have moved since they were placed after the dredging project. In the coming months look for these markers to be removed for maintenance and relocated when they are re-deployed. This is a coordinated movement with the USCG and DNR so that we don't jeopardize our permit to have the markers.

Many of the boaters in our community have been here for years or decades and may find these markers to be silly. However, as a relatively new resident of Hillsmere I, for one, don't have the local knowledge some others have in the marina. These markers are intended for boaters, like me, with less familiarity of our waters.

Derelict Boats

The P&H committee has been monitoring the usage patterns (or lack-there-of) of several derelict boats at the main dock. In past months, I have urged slip holders using their slips merely for long term storage to reconsider and make these slips available for someone who will appreciate and use the slip for its intended purpose. The P&H committee will continue to pursue this matter in a more direct fashion this summer.

Boat Park

In the April 2012 *Sea Breeze* I mentioned that the Grand Father Clause for storage of articles other than boats will be terminated at the end of the 2012 season. With the new Boat Park rules in place (assuming Board approval later this month), we will begin the process of requiring all non-boat related trailers and other articles to be removed from the Boat Park. Please do not hesitate to move these items out before we call you. Your cooperation is much appreciated.

Additionally, part of the new Boat Park Rules requires that all vessels and trailers show a current registration. At last count, approximately 20 items were not showing proper stickers. Please take the time to place the current year stickers.

Lastly, a rate increase is being evaluated for the Boat Park spaces. Currently, we pay more for maintenance than the Park takes in for fees. I expect this rate increase to go into effect during this season.

New Committee Volunteers Needed

We are looking for new volunteers to help on the sub-committees. Each committee meets at a time and place that works for those committee members. Many hands make light work, so please consider helping out. The main P&H monthly meeting is held on the second Tuesday of each month at 7pm in the Key School Science Center, Room 102.

Hillsmere Community Pool

~ Mike Drucis and Perry Geib, Pool Co-Chairs

The pool open May 25th! Here are some key dates and info for your calendar.

First, it is NOT too late to join the pool! Just go to www.hillsmershores.net, click on the pool section to submit your forms.

Pool Pass Pick up – May 18th at the pool. Hours: 10am-1pm

Pool “Clean up” day- We’d like to send out a warm thanks to all of the people that showed up and gave their valuable weekend time to organize, clean, and paint at the pool. This is a major help in getting us ready for opening weekend. We couldn’t be a success without your help. THANKS!

Next “Clean up” Day –May 18th at the pool from 10am to 1pm.

These are things we’d like to finish at the next Clean up day. Any help would be appreciated!

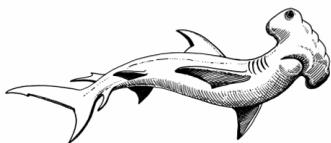

- Painting safety lines
- Paint second coat of diving board stand
- Organize storage room
- Organize outdoor table layout

Open House on May 25th and 26th – This is an opportunity for non-members to spend time at the pool. We have 2 days scheduled where you can take a “test dip”! Hang out, get some sun, and order a pizza with your family! There will be a welcome committee to answer any of your questions.

Memorial Day Party- We’re trying something new! Annapolis Smokehouse is providing the food for our party and we’re in the process of finalizing the menu. We’ll charge \$5 per person for some amazing food!

Joining the Pool Committee is Easy! Email us at pool@hillsmershores.net. Meetings are the 1st Wednesday of each month at 7pm at Key School (Science and Library Building)

Volunteers Needed – We are so excited about the enormous interest in the pool committee. We’d love to have even more volunteers to help with some positions in our sub-committees. Many of these positions involve a nominal amount of time. Please let us know how you can help!

The Hillsmere Hammerheads Swim Team is currently having sign ups on their team website: <http://hillsmerehammerheads.com/>
If your child would like to be a part of an enthusiastic team of kids, take a look at the website for more details.

~ Team Swim suit fitting/sale is on May 8th from 5-7 p.m. at the Key School.

Looking forward to a great summer!

UPDATE: Crystal Spring Farm

This massive proposal of 500+ units and 200,000+ sq. ft. on the scale of Parole Center is of greatest concern. Despite the impression that this project is a done deal, in truth the developers have not yet filed an application.

For more information go to <http://www.crystalspringfacts.com/>

A group of citizens has filed an appeal of the forest survey with the city. The hearing is scheduled for May 28 at 1:30 PM at City Hall.

Efforts are being made to preserve this property or limit the development to preserve the contiguous forest. Let's all work to save the last forest on Forest Drive.

SYAN urges everyone to contact the mayor, mayor@annapolis.gov, and write to the Capital capletts@capitalgazette.com.

Earth Day, 2013 - Thank you, Key School Students and Faculty

Pictured, upper right, are 6th graders, and, lower right,, 8th graders from Key School who spent this year's Earth Day working in the Hillsmere Community rain gardens.

These gardens at the Community Beach and Pool provide important storm water management by slowing and filtering runoff, thereby reducing sediments and contaminants carried into the South River.

Key School students help Hillsmere to maintain these gardens every Earth Day, and throughout the year.

What really matters?

knowing how to think

Key School instills the habits of mind that last a lifetime. *Come see for yourself.*

MARYLAND DEPARTMENT OF AGRICULTURE- MOSQUITO CONTROL SECTION

MOSQUITO CONTROL POLICY STATEMENT

OBJECTION TO ADULT MOSQUITO CONTROL

The policy of the Maryland Department of Agriculture regarding an objection to adult mosquito control by truck-mounted ultra low volume (ULV) application of insecticide is as follows:

- ! An individual may have his/her owned or leased real property and a surrounding buffer up to 300 feet on all sides of the property excluded from ground based ULV adult mosquito control.
- ! Each individual requesting this exclusion must submit the request in writing to the Maryland Department of Agriculture and provide copies to the appropriate community association or city/town. The request must provide the address of the property to be excluded and must be signed by the owner(s) or leasee(s). This request will be acknowledged in writing by the Department.
- ! If the number of individual objectors, and the location of excluded properties, precludes an effective mosquito control adulticide service in a community, the service in that community will be suspended. Service may be reinstated upon the written request of the community and approval by the Department.
- ! A city/town or community association may request the Department to rescind or modify a spray exclusion zone if the local authority believes the exemption unfairly impacts other residents who desire adult mosquito control service. Requests to rescind or modify spray exclusion requests must be made in writing and delivered to the Secretary of Agriculture.
- ! The Department periodically will verify the continued occupancy/ownership by objectors of properties excluded from ULV ground spraying to determine if the objection continues.
- ! In the event of mosquito-borne disease or conditions that threaten public health, the suspension of mosquito adulticide service in an area due to objectors will be discontinued and the full range of mosquito control procedures available will be utilized.

PUBLIC INFORMATION NOTICE:

Your request for exemption from adult mosquito control services by the Maryland Department of Agriculture **WILL NOT** be processed unless **ALL** of the information requested has been supplied. You have a right to inspect, amend, or correct this information. Under State Government Article, 10-817, Annotated Code of Maryland, this information may be generally available for public inspection. This information is not routinely shared with state, federal or local government agencies.

Individuals should direct correspondence regarding this issue to:

STANDARD MOSQUITO CONTROL OPERATING PROCEDURES- 2013

OPERATING PROCEDURES FOR SPRAYING OF ADULTICIDES (Treatment for adult mosquitoes):

Regular Surveillance and Control of Adult Mosquitoes: June 1, 2013- September 2013

Sunday-Thursday (A night of the week will be assigned to your community)

Anytime between 7:30p.m.- 2:00 a.m.

Spraying for adult mosquitoes will be **done only if a Maryland Department of Agriculture Employee determines it is necessary.**

Spraying **will not be conducted** during rain, in wind speeds exceeding 12 MPH, or temperatures above 89 F.

Thresholds for Ground Based ULV Treatments:

- Landing Counts: 3 mosquitoes in a 2 minute count
- Light Trap Collections: 12 female mosquitoes in an unbaited light trap
24 female mosquitoes in a baited light trap
- Conditions that threaten public health, such as mosquito borne disease

Adulticide

Formulation

Biomist 30+30:

Permethrin mixed with Piperonyl Butoxide and Mineral Oil

0.0031 lbs/acre (Ultra Low Volume application)

OPERATING PROCEDURES FOR SPRAYING OF LARVICIDES (Treatment for mosquito larvae):

County-wide Surveillance and Control of Larval Mosquitoes: April - October

Monday – Friday, 8:00 AM -4:30 PM

LARVICIDES TO BE USED:

At Home Annapolis

A local expert is always your best resource when making Real Estate decisions.

When our family first moved to Maryland 15 years ago, Dawn Dougan became our **first and only** realtor. Dawn is a very knowledgeable professional who understands family needs and always does what is best for her clients. She is honest and perseveres through each transaction with the utmost integrity and desire to have the best outcome for us. She helped us rent a home, and then two years later helped us purchase our first Maryland home. During a competitive time on the market, she helped us get the best value for our needs and assisted us every step of the way. When it came time to buy and sell again, she was right there with us, helping us get the most for the home we were selling and negotiating a great deal for our new home. Now, eight years later, she has assisted us again in making the best decision about the right time to sell. We trust her advice and know she always has our best interests at heart. Regardless of the challenge she faces with helping her clients achieve what they want, Dawn Dougan makes the process seamless, and leaves us feeling great about the experience. I wouldn't trust anyone else with making my most important investment--my home. **Nancy & David - Davidsonville, MD**
